# About Shanghai Int'l Tube Industry Expo

The 15th Shanghai International Tube Industry Expo, jointly organized by China Steel Pipe Association of China Steel Construction Society and Shanghai Steel Tube Association, will be held on December 18-20, 2024 in Shanghai New International Expo Center.

It is worth mentioning that the 15th Shanghai International Tube Industry Expo, as an important part of the MTM EXPO, provides a purchasing platform for the steel tube industry. International buyers, users, experts and decision makers from the steel tube, metallurgy, and foundry industries gather here to share hot topics and explore the new trends in the future.

Forecast of 15th Shanghai International Tube Industry Expo (Includes concurrent Metallurgy Expo & Foundry Expo) :

## I These exhibitors will be back in 2024

The 14th Shanghai International Tube Industry Expo 2023 has attracted a large number of well-known exhibitors of steel pipes and equipment including *TPCO, TISCO, Youfa Group, Baogang Steel Group, Jiuli Group, Meide Group, Tianjin Yuantai Derui Pipe Manufacturing Group, Zhejiang Dewei Stainless Steel, Zheng Da Pipe, Dexin Steel Tube, Zhejiang Kingland Pipeline & Technologies, R-FECO KTM Tech Co, etc.*

This year, Shanghai International Tube Industry Expo 2024 will bring together more famous enterprises of the industry, creating an immersive and hands-on site integrating industry exchanges, brand promotion, product demonstration, trade circulation, and continue to lead innovative trends!

## I Multiple concurrent events highlighting market opportunities and cutting-edge technologies

The 4th Development and Application of Steel Tube Industry Conference (DASTIC), 2024 Steel Pipe+Intelligent Forum, Steel Tube Entrepreneurs Roundtable Forum and other industry forums will be held at the exhibition site.

Focusing on the new dynamics of the industry from multiple perspectives, it will discuss and share on the themes of the global economy, the development of tube and related industries, technology innovation, green and low-carbon, intelligent manufacturing and other hot topics, and explore the new trends in the future.

In 2024, MTM organizing committee will organize a number of overseas exhibitions in Indonesia, Mexico, Dubai and other locations, which will bring more global players, new and innovative companies to come together for face-to-face meetings in Shanghai.

It will attract more than **30,000** professional visitors to join (**28,675** visitors in 2023).

Tube Expo 2024 establishes in-depth cooperation with more than 200 industry media to promote by multi-channels such as websites, magazines, Wechat, Tiktok, etc. and opens a new mode of live broad-casting.

It will interview with enterprises & concurrent forums, which is expected to be participated by more than 100,000 people on-line and deepen the influence of the expo.

With China's downstream industries such as clean energy industry, transportation, real estate and other infrastructure projects to increase investment, as well as industrial upgrading to accelerate the demand for steel pipe will maintain a certain amount of growth.

Tube Expo 2024 will be segmented into the following key markets. Exhibitors and visitors are welcome to invite guests.

Underground

## Close-knit User Industry Associations

China Urban Water Association, China Steel Construction Society, China Electricity Council, China Gas Association, China Fire Protection Association, China Association of City Planning, China Petroleum and Chemical Industry Association, Materials Branch of Architectural Society of China, Industrial Boiler Branch of China Electrical Equipment Industry Association (CIBB), Jiangsu Petrochemical Equipment Association.

## Multi-years' on-site buyers

### Oil & Gas Pipe:

China National Petroleum Corporation, China Petrochemical Corporation, China National Petroleum Corporation (CNPC), China National Offshore Oil Corporation, China Petroleum Pipeline Bureau (CPP), Sinopec Oilfield Service Corporation, Shanxi Yanchang Petroleum (Group).

### Boiler Industry:

Shanghai Boiler Works, Sichuan Boiler Works, Harbin Boiler, Hangzhou Boiler Group, Dongfang Boiler Group, Babcock & Wilcox Beijing.

### Tubes for Chemical Equipment:

Sinopec Zhenhai Refining & Chemical Company, Sinopec Qilu Petrochemical, Lanzhou Refining & Chemical, Nanjing YPC Refining & Chemical, Sinopec Maoming, Sinopec Yizheng Chemical Fiber, Sinopec Beijing Yanshan, Sinopec Dushanzi.

### Construction Industry:

Shanghai Tongji Urban Planning & Design Institute, North China Municipal Engineering Design & Research Institute, Veolia Water Corporation, China IPPR International Engineering, Shanghai Water Supply Trade Association, Shanghai Municipal Drainage Administration, Shanghai Water Supply Administration.

### Other Industry:

SAIC Motor, China Nuclear Power Engineering, Jinjiang Group, Jinxi Group, Shanghai Zhenhua Heavy Industry, Hudong Zhonghua Shipbuilding Group, Zhengzhou Coal Mining Machinery Group, Beijing Tianhai Industry, Lee Bucc (Tianjin) Hydraulics, Shanghai Construction Steel Structure Corp., Hangxiao Steel Structure, Jiangsu Huning Steel Mechanism.

## EXHIBIT PROFILE

1. All kinds of raw materials for tubes and pipes.
2. Metal, non-metal pipe products and ancillary products.
3. Manufacturing machinery for metallic tubes and pipes.
4. Processing machinery for metallic tubes and pipes
5. Various kinds of high and low pressure pipes, pumps, valves, flanges, etc.
6. Pipeline construction equipments, welding equipments, construction support materials.
7. Testing technology, sensor technology and quality assurance for tube and pipe industry.

## PARTICIPATION COST

### RAW SPACE

USD \$350/m<sup>2</sup>  
(Min.24m<sup>2</sup>)

### STANDARD BOOTH
